

# GARY MILLER

## Short Press Release 2010

*"As a song poet, there are few in the world today to match him" - Green Man Review, USA*

*"His ability as a songwriter who captures folk sentiment and communal memory must now be unquestioned" - Folk Roots, UK*

Internationally acclaimed songwriter, performer and recording artist Gary Miller first rose to international prominence during the mid eighties and throughout the nineties as principle songwriter, lead singer, guitarist & mandolin player with The Whisky Priests, the internationally renowned folk-rock band with a worldwide cult following that he founded in 1985 and fronted with his twin brother Glenn - *"the Joe Strummer and Mick Jones of the Folk World"*.

In 2010, following a self-imposed sabbatical due to long-term illness, this persevering and highly innovative artist has stepped out of the shadows and returned from the wilderness with the release of 'Reflections on War', his highly anticipated and landmark ground-breaking debut solo album and first CD of all new material in 10 years.

Solo, with his new band 'Gary Miller & The Volunteers', and in collaboration with other artists, he will be touring internationally throughout 2010 and beyond.
